## CLIENT CONSENT

(complete over)

- 1. Read the Consignment Centre Listing.** It outlines your responsibilities for data submission and sending your calves to evaluation centres.
- 2. A reminder that all bull and heifer calves must have data submitted to BIO's Genetic Evaluation Services** through either the Herd Recording Service or bioTrack. If no data is submitted to BIO's Genetic Evaluation Services, then the bull or heifer will be regarded as UNOFFICIAL. Unofficial bull/heifer appear last on the report and will not receive genetic evaluations, Prime Plus/Beef Builder Indexes nor certificates. Unofficial calves will be changed to official, once full and complete information is submitted and process by BIO.
- 3. Vaccinations and Entry** - Vaccination requirements are at the sole discretion of the Centre Manager. The centre manager may also have other entry requirements in addition to these:
  - Bull calves must weigh a minimum of 500 pounds and have a legible tattoo. Tattoos are the responsibility of the bull's consignor.
  - Calves must be in good health and bull calves must have two normal testicles.
  - Calves need must be weaned four weeks before delivery.
  - Calves must be properly dehorned and healed
- 4. Fees**
  - Herd Recording Fees are payable to BIO.
  - Bull and Heifer Evaluation Fees and Ultrasound Fees are the responsibility of the Centre Manager and are payable to the Centre Manager.
- 5. Bull and Heifer Health/Insurance** – BIO will not be responsible for any damages or losses however incurred. Bull and Heifer insurance is the sole responsibility of the client. Clients are advised to obtain the appropriate insurance coverage prior to the entry of the calves into the centres.
- 6. The Centre Manager** shall be entitled in emergency situations as determined by the Centre Manager to retain veterinary services, including the right to have an animal destroyed if in "extreme suffering".
- 7. Release of Information** - Information about the bulls and heifers, their measurements, the evaluation, client name and phone number will be published on reports and the Internet for promotional purposes. You should notify BIO in writing within 14 days of the bull and heifer delivery if you do **not** want BIO to release information including but not limited to publishing on the Internet.
- 8. Late Submission of Data Policy** – No changes or additions to information on bull evaluation reports/heifer development reports will be accepted after the scheduled end-of-test date. No groups will be recalculated after the end-of-test report has been generated.

### Provision and Use of the Information Provided by BIO

As part of the terms and conditions of BIO's Beef Evaluation Service, it is understood that information provided by BIO including, but not limited to, genetic and carcass evaluations are produced using the very best knowledge available and are pursuant to generally accepted industry standards. The intent of the information provided by BIO is for comparative purposes only for both the animal consignor and buyer. This information is provided for the purpose of general guidance only to beef producers. The purchaser and/or user of this information agrees to hold BIO harmless for any losses or damages that may be incurred as a result of receipt of and/or reliance upon this general comparative information. This clause shall be a complete defence to any claim brought by the purchaser and/or user in relation to such services.
